Health Insurance For Expatriates

GLOBAL HEALTH FROM WILLIAM RUSSELL

BECAUSE YOU VALUE YOUR HEALTH

Looking after your health should be your top priority if you live and work abroad.

Medical treatment is expensive, so for most expatriates, health insurance is a necessity. That's why William Russell Limited has created Global Health.

Designed exclusively for expatriates of all nationalities, Global Health lets you choose from three health insurance plans – **Select Care**, **Premier Care** and **Premier Plus**.

Each plan offers exceptional cover for medical and emergency evacuation expenses, wherever you are in the world.

Review the benefits table on the centre pages of this brochure to decide which Global Health plan is right for you and your family.

Whichever plan you choose, as a client of William Russell you can be confident that you are insured with a company that understands your needs, treats you as an individual and provides you with the highest standards of service.

RECOGNISED WORLD WIDE FOR EFFICIENCY AND PERSONAL SERVICE

A recent survey undertaken by an independent international health insurance broker ranked William Russell first in the world league table of health insurance providers, for the third year running. We consistently scored higher for personal service than any other company in the health insurance market, including the world's largest and best known health insurance providers.

FAST, EFFICIENT CLAIM SETTLEMENT

Contact us wherever you are, during working hours, either at our UK or Hong Kong offices, where your claim will receive immediate and sympathetic attention, or call our multi-lingual 24-hour help-line. If you need hospital treatment, we will make all the arrangements for you to be admitted to hospital and we will settle your bills direct.

EXCEPTIONAL VALUE FOR MONEY BENEFITS

Our three Global Health plans offer an amazing range of benefits as standard, including cover for private hospital treatment, out-patient treatment and consultations, maternity care, and dental care. Our premium rates are highly competitive, and there are discounts for children of up to 50%.

VALUABLE WELL-BEING BENEFIT

We want to encourage you to take care of your health so we offer a well-being benefit under our Premier Care and Premier Plus plans which pays towards routine annual health checks for men and women.

NO CLAIM INCENTIVE

If you are fortunate not to make a claim on your Global Health plan, we will use your age at joining when calculating your future renewal premiums - saving you hundreds of pounds over the years. Claiming your well-being benefit will not result in you losing your no claim incentive.

LIFE AND INCOME PROTECTION PLANS

William Russell also offers you the convenience of being able to arrange your health, life and income protection insurance plans with the same provider.

Global Life

Our Global Life plan provides essential life cover for your family, with valuable accident benefits.

Global Income Protection

Our Global Income Protection plan pays you a regular income if you are unable to work through illness or injury.

Corporate Protection

All our plans are available to companies with expatriate staff – contact William Russell for more details of our Corporate plans.

FINANCIAL SECURITY

The Global Health plans are underwritten by **Hauteville Insurance Company Limited**, a wholly owned subsidiary of **AGF**, one of Europe's largest insurance companies and part of the **Allianz Insurance Group**.

With William Russell you will have the financial security of a large insurance group, but the high standard of personal service only a specialist company can provide.
